

AFFIDAVIT - DECLARATION OF ABSOLUTE TRUTH

Issued in accordance with and governed by I AM, eternal essence, in body, Doc. #2013032035,
reaffirmed and incorporated by reference to the above, IAM-rdlp-08171968

prevent the issuance or application of provisions that diminish, hinder or nullify the exercise of freedom of expression and society's right to access information. However, they have disregarded this duty, delivering totally polarised and distorted news to homo vivo, restricting and censoring the opinion of homo vivo, because of the directive emanating from the de facto system, promoting fear, confusion and coercion. Is it true? If NO, refute.

33. All health officials took the Hippocratic Oath, which has not been respected, as they have lent themselves to make false public statements, misrepresenting the situation, which has also been facilitated by the ruling system, together with foreign private corporations, to manipulate the truth. Even they have been endorsed by such private corporations, applying protocols that have resulted in death, without professional ethics, causing the death of countless living human beings, who clearly suffered from other symptoms, forgetting the absolute scientific need to perform autopsies to correct the procedures that could have saved many lives.

Is it true? If NO, refute.

34. The URUGUAYAN REPUBLIC and its politicians, influenced by their economic interests, have commercialised and sold the basic natural resources such as water, energy, gas and territories in all their forms for exploitation, for the benefit of private entities, whose action provokes the devastation of nature and directly harms homo vivo.

Is this true? If NO, refute.

35. The ruling Corporation, together with other foreign Corporations, have colluded and are colluding to manipulate the world economic movement and justify the collection of taxes, the increase of these, the rise in the value of food, services, basic inputs, et similia et idem sonans, promoting the lack of jobs and impoverishment of homo vivo, exempting large companies such as mining companies, airlines, highways, roads, large commercial and retail chains from paying taxes.

Is this true? If NO, refute.

36. The URUGUAYAN REPUBLIC, its legislation, ministries and public organisms, with their manipulations, through informative bulletins and fraudulent laws, have coerced all labour and educational companies, to demand gene inoculations to their workers, under pressure of losing their jobs, not getting it and in the case of students, impeding the end or continuity of their studies, degrees and professional practices, facilitating to the laboratories the gene intervention against the living homo.

Is this true? If NO, refute.

37. The implementation of vaccination cards, green passports, health passports, et similia et idem sonans, can be and is being used as a measure of indirect and discriminatory psychological pressure on living men, women and children who have not received and/or do not accept gene inoculation, to enter all types of educational, provisioning, health, social and other facilities of varied daily use, airports, ports, inter-regional, regional and international travel, et similia.

Is this true? If NO, refute.

38. The different types of new generation drugs created in record time, with messenger RNA or synthetic attenuated virus, electromagnetically resonant metalloids such as graphene oxide and nano technology, associated with 5G electromagnetic radiation, et similia et idem sonans, has made evident the manipulation and/or relationship that exists between the ruling Corporations and the big pharmaceutical Corporations, which "negotiated" the delivery of the living homo as a subject of pharmacological experimental test.

Is this true? If NO, refute.

39. The ruling Corporation has encouraged through the media, a campaign of terror and collective fear, so that living men and women feel that this experimental inoculation is necessary, to treat a supposed disease caused by a virus, which has not yet been isolated or sequenced, knowing that gene inoculation,
